**Sale Alle Spezie**

For the Veneto Festa menu we have specially imported Sale Alle Spezie, an authentic Veneto blend of sea salt and spices. The salt crystals can be refined or ground to taste using a standard salt grinder or a coffee grinder. Sale Alle Spezie has a light spicy flavor that complements grilled meats, chicken, fish or vegetables by sprinkling on top to taste at the end of preparation. I don't recommend using in sauces, white or red as this can change subtle flavors.
